NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with school-home relations	96.3%	95.2%	81.3%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Keowee Elementary School is a Kindergarten-5th grade school that serves 295 students in a rural area of Oconee County, in the upstate of South Carolina. The mission of Keowee Elementary, in cooperation with home and community, is to challenge and enable every child to learn and grow academically, socially, and emotionally within a safe and nurturing environment. The school and community's commitment to this mission is evident in the numerous awards and recognitions received by the school, the faculty, the students, and the school's volunteers.

While maintaining its family-friendly atmosphere during the 2008-2009 school year, Keowee Elementary provided data-driven, differentiated and individualized instruction and once again gained recognition by the state as a Palmetto Silver Award-winning school.

Throughout the year, students were honored and recognized for their participation in numerous state and local contests, to include: the Lieutenant Governor's Essay Contest, the Regional Anderson-Oconee-Pickens (AOP) Science Fair, the Emergency Preparedness Tornado Poster Contest, the Blue Ridge Arts Council Exhibition, the Oconee County Soil and Water Conservation District's Essay Contest, Tiger Relays, and in SC Middle/Elementary School Academy of Science Mail-In Contest.

Keowee Elementary's teachers received numerous hours of professional development in technology, differentiated instruction, and curriculum mapping to assist them in meeting the needs of all learners. Teachers also used current, computerized assessment information to plan for individualized instruction and to regularly assess student progress towards their year-end goals.

The achievements of Keowee Elementary students are a direct result of the commitment of faculty, staff, and community working together to provide a rich, relevant curriculum that incorporates the most current technology and research-based instructional methods.
